6. Ph.D. programme in Climate Change in Animal Agriculture

The Regulations for the award of Ph.D. degree in Climate Change in Animal Agriculture are in accordance with the provisions of the Academic regulations of the KVASU approved in the 18th Academic Council held on 19-04-2016.

Present and future climate change, and issues related to climate variability are among the foremost scientific challenges presently being faced by the global community. In all environment-related aspects of animal agriculture and associated activities, there is a recognition and demand for climate change-related expertise and services. Therefore, it is essential to train the manpower as a part of capacity building in climate change education, research and extension to meet the national and global demand of resource personnel in this field of specialization of Climate Change and Animal Agriculture for sustenance of food security. Capacity building in climate change and animal agriculture provides an integrated approach to the analysis of climate change and processes in the context of sustenance of animal agriculture and environmental management.

Minimum duration of this PhD Programme is 3 year and it is having **two seats** at CAADECCS, College of Veterinary and Animal Sciences, Mannuthy. Eligibility for this Programme is M.V.Sc/M.S (Integrated) CCA / PG degree in Agriculture Sciences/ Fisheries/ M.Sc Biological Sciences/Physical Sciences with at least 50% marks or equivalent Overall Grade Point Average (OGPA) are eligible to apply. For SC/ST candidates, the minimum marks required for application is 45% in the Post-graduate Examination. In-service candidates who wish to apply to this programme should have published a minimum of 2 peer reviewed research articles.

SELECTION PROCESS

Selection for the above programmes will be from the rank list prepared by the University on the basis of published score card for M.V.Sc./ MTech/ PhD programmes of Kerala Veterinary and Animal Sciences University.

The University will publish a list of qualified students based on the performance in the Entrance Examination. For PhD programmes, the Interview board constituted by the University will assign marks for the students based on the published score card for PhD programmes, at the time of Interview. The University will publish a rank list based on the marks secured by the students in the published scorecard. Selection for the PhD, M. Tech, M.V.Sc programmes will be done from the rank list according to the rank, choice and reservation policies from the students.

A selection list will be prepared for the M.V.Sc. programmes from the rank list for filling the 75% state quota seats by giving preference to the candidates of Kerala origin and also to those who have studied in any educational institution in Kerala for a period of 7 academic years at any time up

to the Bachelor's degree as on 1st July of the admission year. For availing the preference, the student must upload necessary certificates to prove their eligibility in the website and should produce at the time of interview and reporting at the Colleges. Selection to the M.V.Sc. programmes will be done from above selection list based on their choice of discipline / colleges. Existing Government rules and regulations will be followed for filling the reservation polices among the students through offline allotment processes

If there is a change in the selection process due to any unforeseen reasons, it will be intimated through the University website (www.kvasu.ac.in). The provisional rank list of the candidates eligible for the admission to all programmes will be published in the University website. The candidates are admitted from the rank list according to the rank and communal reservation. No separate intimation letters will be sent to the qualified candidates.

ADMISSION

Admission to the programmes conducted by the University is done through offline counselling process from the rank list published in the University website after conducting the entrance examination and interview. The offline counselling process will be held at the University Head Quarters on the date and time mentioned in the Rank list published by the University. Candidates will be called for the counselling on the day specified as per the rank list. Seat will be allotted based on their preference opted at the time of counselling. During the counselling process, the students have to submit their original certificates mentioned below in the University for Verification and after verification of the certificates, the students will be allotted to the colleges and on receiving the allotment the students have to remit the first semester fee mentioned along with the course details in the University Head quarters. In order to complete the admission process students must report at the Colleges with all the original certificates along with the Xerox copies and the receipt of remittance of the fee for first semester, mentioned in the Rank list/ allotment memo published.

If the selected candidates fail to pay the specified fees or join the course in time, their claims for admission will be cancelled without notice and the seat thus becoming vacant will be filled up with eligible candidates, if any, from the rank list.

Candidates should produce the **original certificates for proof of age, qualifications, transfer certificate, conduct certificate, migration certificate, Non Creamy layer/ Community certificate** if seeking communal reservation, **Income and Assets Certificate**, annexed in the G.O.(P)No.1/2020/P&ARD dated 03/01/2020, for claiming the reservation of Economically Weaker Sections (EWSs) in General Category, **Disability Certificate** for claiming reservation under Persons with Disability, **Physical fitness certificate** obtained from any Medical Officer not below the rank of Civil Surgeon, **Vaccination certificate** against Chicken pox and Hepatitis B **at the time of admission** in the respective colleges. Candidates who secured their qualification from Universities/ Boards outside Kerala state should produce Migration Certificate. If you are not able to submit a migration certificate at the time of admission, you should produce an affidavit (in your own handwriting with signature), stating that you will produce Migration Certificate within one month after securing admission. Vaccination certificate against Chicken pox and Hepatitis B is compulsory at the time of admission for all courses under KVASU.

The originals of all certificates and documents should be produced at the time of admission. Those who do not produce the original documents at the time of admission, shall forfeit their seat and the seats will be filled up from the waiting list or in any other manner deemed fit by the University.

As ordered in G.O. MS 285/72/HD dated 6.1.1972, 10% of the total intake capacity will be reserved for SC/ST. Fractions of half or more than half in the actual working out of the percentage will be rounded off to one. List of communities to be considered under SC/ST/OEC will be as per the list approved by the Government of Kerala.
