

## About Academic Staff College

The Academic Staff College (ASC), Directorate of Entrepreneurship, Kerala Veterinary and Animal Sciences University was established in 2015 following the recommendations of the National Policy on Education. The motto of this first of a kind training college under a professional university is "Siddhirbhavathi Karmaja." This institution has been playing an active role in providing opportunities for teachers in higher education to pursue their career development and professional growth goals. The major objectives of the institute include helping teachers acquire and improve basic skills of teaching at the college/university level for achieving goals of higher education, to facilitate their attempts to keep abreast of the latest developments in their specific subjects and to provide a facilitating role in making available to them opportunities for personality development and creativity. The institute has been organising orientation programmes, refresher programmes, different short term human resource development programmes and webinars, and a unique farmer friendly lecture series.

Kerala Veterinary and Animal Sciences University (KVASU) came into existence on 14 - June, 2010 as per Ordinance No.44/2010 and later Act 3/2011 of the Government of Kerala. The establishment of the University was the result of the recognition of the need to advance the activities related to animal production. KVASU undertakes academic, research, extension and entrepreneurship activities in animal production and dairy sector. University is the recipient of the prestigious Chancellors Award for the Best Emerging Young University. Apart from deciding new courses and curricula based on the advances in the field of Veterinary and Animal Sciences, University aims to advance and disseminate learning and knowledge in Veterinary and Animal Sciences by fostering and promoting Veterinary and Animal Science research.
