Quotation Notice

No. CASAGB/713/2022

Mannuthy, Dated 14.03.2023

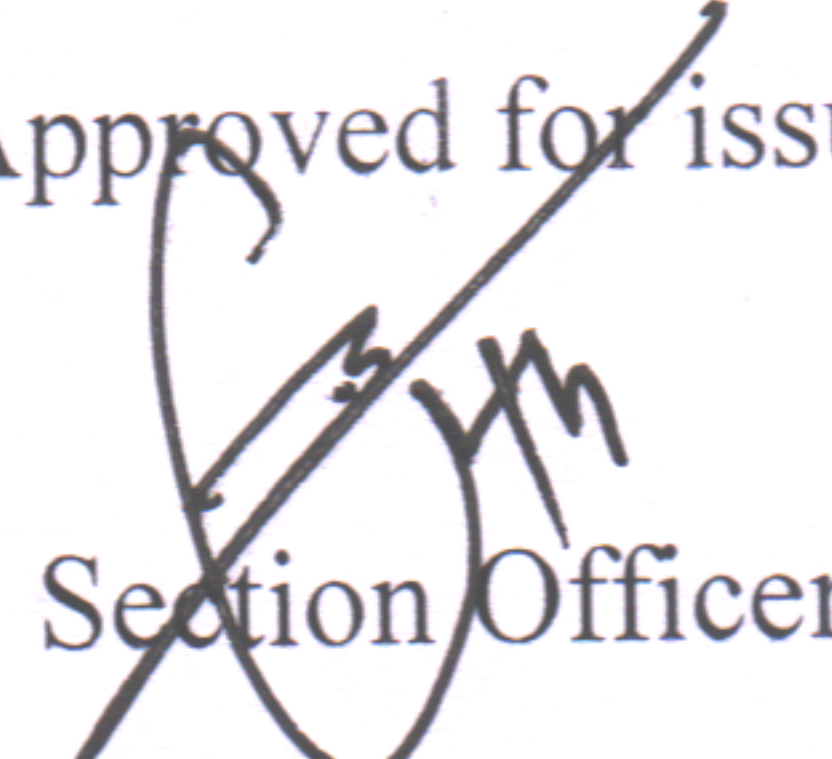

Sealed quotations are invited for the supply of liquid nitrogen for use in the ICAR Field Progeny Testing Scheme of this Centre on demand. The yearly requirement of the liquid nitrogen for the Scheme is approximately 2500 to 3000 litres and firms should supply this quantity as 45 to 50 litres in every week. All quotations should reach in this office latest by 3 PM on 31/03/2023 and will be opened in the presence of the quotationer or their representatives by 3.30 PM on the same day and the lowest rate quoted will be accepted.

The successful quotationer should execute an agreement in stamp paper worth Rs 100/- stating the regular supply of liquid nitrogen, smooth and prompt delivery as and when demanded by the Principal Investigator, ICAR FPT scheme. All the rules and regulations pertaining to government quotations will be applicable to this quotation also.
