The Indian Veterinary Association, Kerala, remains steadfast in promoting scientific veterinary practice with unwavering professionalism and ethics, dedicated to the preservation of animal and public health. We are thrilled to share the exciting news that our prestigious annual event, the 15th Kerala Veterinary Science Congress 2023 and International seminar, will take place on 17th, 18th and 19th of November, 2023 at College of Veterinary and Animal Sciences, Kerala Veterinary and Animal Sciences University, Pookode. For the first time, this event will be organized as an international seminar under the theme "Exploring the Boundless Horizons of Veterinary Profession - Unleashing a New Era Worldwide". On 17th of November 2023, a farmer's seminar will also be conducted. We hope that the seminar will form an ideal platform for the discussion on various issues of animal husbandry by farmers, academicians, policy makers, researchers and students. We eagerly anticipate your active participation and valuable contributions at this remarkable event and cordially invite your esteemed presence for the programme.
