WELCOME MESSAGE

Dear ISVM Members and Professional Colleagues,

We, the organizers of 40th annual convention of ISVM and the national conference on "MULTIFACETED APPROACHES FOR INTEGRATING VETERINARY MEDICINE AND ONE HEALTH FOR A HOLISTIC FUTURE" extend our whole hearted welcome to Mannuthy, Thrissur, Kerala for the Annual Convention of ISVM and Conference scheduled from 22nd - 24th February, 2024.

The theme for this symposium has got tremendous significance with regard to improving animal health for the future. It is expected that the topic will help the practitioners, researchers and educationists to have a review of the existing UG and PG curriculum and to inculcate necessary changes. Besides, the conference will provide a platform to interact with our counterparts from various states and to update our present day knowledge in the field of veterinary medicine. Your participation and interactions will make the deliberations fruitful and help to enlighten the entire professional community and to improve the quality of veterinary medical education and research in our country

Looking Forward to Meeting You,

With Regards

FEW WORDS ABOUT VENUE

College of Veterinary and Animal Sciences, Mannuthy was established in 1955. This college became a constituent college when Kerala Agricultural University was established in 1972. Now, it is part of Kerala Veterinary and Animal Sciences University formed on trifurcation of erstwhile KAU in to veterinary and fisheries universities.

Thrissur, also known as the "cultural capital of Kerala, lies in central Kerala and is well-known for its cultural, religious, and historical significance. Thrissur originates from Malayalam word Thrissiva perur which means town of "sacred Siva", signified by the famous Vadakkumnathan temple, dedicated to lord Shiva and declared as a national monument. The temple hosts the annual Thrissur Pooram. The city houses the Bible Tower, Asia's tallest church tower with a mural painting commemorating Jesus Christ's life. The temple city of Guruvayur, the Dwaraka of south, is also located near the city (21 Km). Punnathurkotta, which serves as elephant training centre, is at Guruvayur. The Cheraman Juma Mosque located at Kodungallur, Thrissur is the oldest mosque in the Indian subcontinent which is still in use

Athirappilly waterfalls, described as Niagra of South India, is the largest waterfall in Kerala and is located around 50 km from the city. Thrissur district is bestowed with beautiful beaches and picturesque landscapes and dams.

HOW TO REACH THE VENUE

College of Veterinary & Animal Sciences, Mannuthy is located on National highway 544 (NH47). The railway station nearest to Mannuthy (6Km) is Thrissur (TCR). The nearest airport is Cochin international airport (52 Km). Delegates intending train travel are advised to book in advance, as the route attracts heavy traffic. Delegates are expected to travel from railway station / Airport to hotels / accommodation by themselves, Local transportation during the days of conference will be arranged by the organizers.
