Decisions taken in the Special Academic Council meeting on the Agenda Note

Item No	Point for decisions	Decisions
7S.1	<p>1. Whether the Academic Council would approve the proposal for admitting students to the PG and PhD programmes in the University based on the National Testing Agency (NTA) score alone or as is being practiced in KAU, from the academic year 2022-23 onwards.</p> <p>2. If accepted to the above, whether the Academic Council would permit to intimate the willingness of the University to adopt NTA score obtained by candidate in ICAR's AIEEA (UG), AIEEA (PG) and AICE-JRF/SRF (Ph.D.) examination for admission in state quota seats for M.V.Sc. and PhD in Faculty of Veterinary and Animal Sciences and M.Tech and PhD in Faculty of Dairy Science and Technology.</p>	<p>1. Deferred.</p> <p>As of now the students of KVASU having an OGPA of 6 are eligible to write PG entrance examination in Kerala, but as per the eligibility of National Testing Agency (NTA) the students have to secure a minimum OGPA of 6.6 for admission and hence a lot of students are likely to lose their opportunity for PG admission, if the University is implementing the NTA score for admission all of a sudden. After considering the concern from the student representative, the Academic Council deferred the agenda.</p> <p>2. It has been decided to intimate the ICAR that, KVASU does not intend to adopt the NTA score for the upcoming academic year (2022-23) for admissions to PG and PhD programmes in the University. In the coming year after assessing the matter in detail, the University will take a decision in this regard.</p> <p>(Action- Acad B1 Section)</p>

The meeting came to end by 12.20 PM with the vote of thanks from the Hon'ble Vice Chancellor.
