വനം-മൃഗസംരക്ഷണം-ക്ഷീരവികസനം,
മൃഗശാല വകുപ്പു മന്ത്രി, കേരളസർക്കാർ

തിരുവനന്തപുരം
21-11-2020

കോവിഡ് 19 സൃഷ്ടിച്ച ആശങ്കകൾ മറികടന്ന് പുതിയ പ്രതീക്ഷകളോടെ ലോകം 2021-നെ വരവേൽക്കുകയാണ്. രോഗാവസ്ഥയേയും രോഗം സൃഷ്ടിച്ച പ്രയാസങ്ങളേയും ജനങ്ങളുടെ കൂട്ടായ്മയിലൂടെ നേരിടാൻ നമുക്കു സാധിച്ചു. പ്രതിസന്ധിഘട്ടത്തിൽ ജനതയ്ക്ക് കൂട്ടായിനിന്ന മൃഗസംരക്ഷണമേഖലയുടെ പങ്ക് ചെറുതല്ല. തിരിച്ചു വരുന്ന പ്രവാസി സമൂഹത്തിലെ ഭൂരിഭാഗം അംഗങ്ങളും മൃഗസംരക്ഷണമേഖലയെ പ്രതീക്ഷയോടുകൂടി കാണുന്നു.

നമ്മുടെ സംസ്ഥാനത്തിന്റെ മൃഗസംരക്ഷണമേഖലയുടെ സർവ്വതോമുഖമായ ക്ഷേമം ലക്ഷ്യമിട്ടുകൊണ്ട് രൂപീകൃതമായ കേരള വെറ്ററിനറി സർവ്വകലാശാല ചുരുങ്ങിയ കാലയളവിൽത്തന്നെ വിദ്യാഭ്യാസ ഗവേഷണ വിജ്ഞാന വ്യാപന പ്രവർത്തനങ്ങളിൽ ഏറെ ശ്ലാഘനീയമായ മുന്നേറ്റങ്ങളാണ് നടത്തിയിട്ടുള്ളത്. അതുകൊണ്ടുതന്നെയാണ് യങ്ങ് എമർജിംഗ് യൂണിവേഴ്സിറ്റിക്കായുള്ള കേരള സംസ്ഥാന ഗവർണ്ണറുടെ അവാർഡ് മൂന്നാം തവണയും സർവ്വകലാശാലയ്ക്ക് നേടാൻ കഴിഞ്ഞത്.

സർവ്വകലാശാലയുടെ സാമൂഹിക പ്രതിബദ്ധത വിളിച്ചോതുന്ന പ്രവർത്തനങ്ങളുമായി കാലോചിതമായി പരിഷ്കരിക്കപ്പെട്ട് 2021-ലെ സർവ്വകലാശാല ഡാറ്റ പുസ്തകം പ്രസിദ്ധീകൃതമാവുന്നു എന്നത് സന്തോഷകരമാണ്. സർവ്വകലാശാലയെക്കുറിച്ചും അതിന്റെ വിവിധങ്ങളായ പ്രവർത്തനങ്ങളെക്കുറിച്ചുമുള്ള സംക്ഷിപ്ത വിവരണത്തോടൊപ്പം, ഈ സർവ്വകലാശാലയിലെ അദ്ധ്യാപക അനദ്ധ്യാപകരുടെയും മറ്റു ജീവനക്കാരുടെയും വിവരങ്ങൾ ഫോൺ നമ്പർ സഹിതം ഒരു ഡാറ്റ പുസ്തകം പ്രസിദ്ധീകരിക്കുന്നത്. മൃഗസംരക്ഷണമേഖലയിലെ വിവിധ രംഗങ്ങളിൽ ബന്ധപ്പെട്ടു പ്രവർത്തിക്കുന്ന ഏവർക്കും സഹായകമാകും എന്നു സംശയമില്ല.

സർവ്വകലാശാലയിലെ മുഴുവൻ വിദ്യാർത്ഥികൾക്കും തൊഴിലാളികൾക്കും ജീവനക്കാർക്കും അദ്ധ്യാപകർക്കും എന്റെ ഊഷ്മളമായ സ്നേഹാഭിവാദ്യങ്ങൾ.

സസ്പേഹം,

Kerala Veterinary & Animal Sciences University

Kerala Veterinary and Animal Sciences University (KVASU) formed in December 2010 with state-wide jurisdiction offers education, research and extension services in the field of Veterinary and Animal Sciences. The University with the colleges under faculty of Veterinary and Animal Sciences, Dairy Science and Poultry Science are being strengthened with new facilities to impart enriched teaching for quality education and front line research to address emerging issues in this sector. The University has bestowed with prestigious Chancellor's award for the best emerging University for the third consecutive time in 2018-19 for the committed activities towards the development of the Animal Husbandry sector and quality of education, research and extension activities. The effort of committed faculty, staff and students are much appreciated for receiving various awards and honors.

COVID-19 lockdown has been a dampener on conventional education system due to closure of educational institutions for months together. Our University has also shifted its teaching and assessment methodologies to online mode in the current scenario. The well appreciated series of farmer friendly webinar series organized for the farming community and entrepreneurs proves the commitment of the University towards the farming sector. I may take this opportunity to congratulate each and every member of the University for being part of such initiatives with social commitment and wish such efforts should be extended in future too for our stakeholders for their livelihood. KVASU at its 10th anniversary is committed to provide every support for rebuilding the state through developing entrepreneurship, skill, services and research solutions for a sustainable and robust development of the animal husbandry sector. While introducing the Data book 2021, I request continued patronage from all the well wishers for attaining this goal.

Wish you a very happy and prosperous New Year and wish all success to each and every one of you for rebuilding our nation recovering from the damages done by Covid-19 pandemic.

Pookode
20/11/2020

Prof. (Dr.) M.R. Saseendranath
Vice Chancellor

Kerala Veterinary & Animal Sciences University

About the University

Kerala Veterinary and Animal Sciences University (KVASU) was established by the Government of Kerala in December 2010 vide Act 3 of 2011 called The Kerala Veterinary and Animal Sciences University Act 2010 to further education, research and extension services in the field of Veterinary and Animal Sciences. The territorial jurisdiction of the University extends to the whole State of Kerala. Accessibility: By road: From Kozhikode 60 km, along NH 212. Nearest bus stop is Veterinary University bus stop at Pookode. Nearest Railway Station: Kozhikode (60km), Nearest Airport: Calicut International Airport.

The Headquarters of the University is located in the scenic hilly terrain of Pookode, Wayanad, in the State of Kerala, with a land area of approximately 100 acres. The University encompasses three faculties- the Faculty of Veterinary and Animal Sciences, the Faculty of Dairy Science and the Faculty of Poultry Science; and eight constituent colleges- the College of Veterinary and Animal Sciences at Mannuthy in Thrissur district and Pookode in Wayanad district, the College of Dairy Science and Technology located at Mannuthy, Pookode, Thiruvananthapuram and Kolahalamedu. College of Avian Sciences and Management is located at Thiruvazhamkunnu and College of Food Technology in Thumburmuzhy, Thrissur District. The University has wide network of instructional and research farms spread throughout the state, which include the Instructional farms attached to College of Veterinary and Animal Sciences,

Pookode, Livestock Farm and Fodder Research Development Scheme at Mannuthy, Livestock Research Station, Thiruvazhamkunnu, Palakkad, University Poultry and Duck Farm, Mannuthy, Centre for Pig Production and Research, Mannuthy, Goat and Sheep Farm, Mannuthy, Cattle Breeding Farm, Thumburmuzhy and Base Farm, Kolahalamedu.

KVASU hosts the All India Co-ordinated Research Project on Poultry, Centre for Advanced Studies in Poultry Science and Centre for Advanced Studies in Animal Breeding and Genetics at Mannuthy. To promote the inter-disciplinary research initiatives, University has establishment several schools and centres. They are School of Bio-Energy studies and farm waste management, School of Applied Production and Biotechnology, School of Zoonosis Public Health and Pathobiology, School of New Media and Research, School of Animal Nutrition and Feed Technology. The centres of University includes Centre for Wildlife Studies, Centre for Animal Adaptation to Environment and Climate Change studies, Centre for Ethno pharmacology, Centre for Livestock Development and Policy Research, Centre for Small Laboratory Animal Production, Central Instrumentation Labora-

tory and Central Store, Centre for One Health Education, Advocacy, Research and Training (COHEART), Bioscience Research and Training Centre.

The University is presently enhancing the available infrastructural facilities to cater to the needs of the emerging University to international level; to function as tropical referral and training center in the area of tropical Animal production and Veterinary medicine; to offer multidisciplinary courses in the area of Veterinary and Animal Sciences including Wild Life Science and improving the employment opportunities and entrepreneurship within and out of the country; to strengthen the bond between the scientists and the farmers by speedy technology transfer which will trigger the overall rural development of the region and give a boost to the country's target for achieving the millennium development goals within a short span of time.

KVASU have research collaboration with University of Minnesota, University of Illinois, University of Calgary, Oklahoma State University, USA, University of Western Australia. Faculty and student exchange programmes

with University of Edinburgh, Scotland, UK, University of Connecticut, USA. KVASU has signed MOU with National Institutes viz. Indian Council of Agricultural Research, New Delhi, Lala Lajpat Rai University of Veterinary and Animal Sciences, Hisar, Haryana, National Academy of Agricultural Research Management, Hyderabad, National Meat and Poultry Processing Board, Department of Biotechnology, Bhaba Atomic Research Centre, Animal Husbandry Department, Dairy Development Department, KSCSTE etc.

KVASU scholarships, fellowships and assistantships are provided to meritorious students. Merit scholarship is awarded to top 10 per cent of the meritorious under graduate students of each batch of degree programme in all colleges under KVASU. Merit cum Means scholarship is instituted to a maximum of 12 financially backward non-SC/ST students of each batch of under graduate programme of B.V.Sc. & A.H and B.Tech. (Dairy Sci. & Tech.) of all colleges under KVASU. Junior Research Fellowship (JRF) and Senior Research fellowship (SRF) is awarded to the students admitted for postgraduate and Ph.D. courses, respectively. A fixed number of deserving candidates admitted for Masters and Ph.D. degree programmes are eligible for assistantship intended for candidates planning a research/teaching career, eligibility decided based on the rank list prepared for this purpose. Research grant is allowed to post graduate and Ph.D. students conducting research. Residency Programme

is introduced in subjects coming under Clinical, Para clinical, Livestock & Poultry Production and Dairy Technology. The University distributes about 2.7 crores per annum in the form of various scholarships, fellowships and assistantships.

University has two Central Instruments Laboratories and the facilities are extensively used by post graduate students, doctoral research scholars and sponsored projects for advanced research. This facility is also extended to external organizations, mainly academic institutions of the region at nominal rates. The National Accreditation Board for testing and calibration of Laboratories (NABL) has granted accreditation in accordance with ISO/IEC 17025:2005 for three Kerala Veterinary and Animal Sciences University laboratories of College of Veterinary and Animal Sciences, Mannuthy, Trichur : Central Instruments Laboratory, Feed Analysis Laboratory of Department of Animal Nutrition and Quality Control Laboratory of Department of Veterinary Public Health and to two laboratories at CVAS, Pookode.

The university has established a monitoring and evaluation cell under the Directorate of Academics and Research with the objectives of conducting a systematic review of all research and development projects implemented at KVASU. KVASU has ICT based approach in its official portals. University has adopted green protocol 'Aranyakam' to make a carbon neutral campus. University has installed solar paneling, biogas plants and undertaken rain water harvesting in an effective way.

University Headquarters at Pookode campus has a fully equipped gymnasium, renovated Auditorium 'Kabani' and Open Air Theatre 'Chandragiri' for use of staff and students of KVASU. Facilities for equestrian training are available for students both at Mannuthy and Pookode campuses. The web-enabled University Library has vast collection of books, journals, and online access to e-journals viz. www.cera.jccc.in; e-books: www.wileyonlinelibrary.com, open source softwares Dspace (Institutional Repository) and Koha (Library management) software. The University established Expedient Integrated University Management System (IUMS), a comprehensive software solution which automates various academic & non-academic functionalities of KVASU. KVASU is the recipient of the Prestigious Young Emerging University consecutively for 3 times and is committed to work towards rebuilding Kerala Initiative. University has contributed largely by transfer of cutting edge technologies/innovations to its stakeholders.

As we move to 2021 we have a brief history of significant development, of commitment, vision and action, true to our adage 'Ideas In Action'. Though we have a long way to go to raise the institution to a world class one, the outlook and vision delivered by the excellent leadership shared by the staff, students and faculty, the University is sure to acclaim this.

KERALA VETERINARY AND ANIMAL SCIENCES UNIVERSITY

Kerala Veterinary and Animal Sciences University deliver its services through 3 faculties, 8 colleges, 5 schools, 7 centers, 3 hospitals, 35 farms and research stations, 1 affiliated college and 5 NABL Accredited labs

1. Basic Information

Number of University Departments – 35 , Number of Research Centers 35					
Total Number of Employees					
No. of approved Research guides		Total Faculty*		Non-Teaching Staff	
252		260		320	
Total number of Departments, Affiliated Colleges and Constituent Colleges					
Department	Total Student	Affiliated Colleges	Total Student	Constituent Colleges	Total Student
35	2394	1	4	8	2398

Academics

KVASU has been awarded all India rank of 29 by ICAR and is in the 150- 200 rank band in National Institute Ranking Framework (NIRF) All thirty five departments in the university are recognized by ICAR/AICTE. The faculty have authored 17 books having ISBN and 4 books have been edited by the faculty. A total of 324 research papers have been published by the faculty. Faculties presented 187 papers in various national and international conferences. Project amount worth 6941.5 lakhs have been secured by faculties for various research purpose. 65 research awards were received by the faculties

Innovations in teaching introduced in the University

1. Problem Based Learning in all constituent colleges
2. Technology enabled distance education programme
 1. Post graduate diploma in Ethnopharmacology
 2. Post graduate certificate in Veterinary Homoeopathy
3. Use of Mannequins and Animal Models
 1. Veterinary Anatomy
 2. Veterinary Surgery
 3. Veterinary Gynaecology and Obstetrics
1. Video conferencing of lectures and seminars
2. Non – credit compulsory courses
3. Eco farm
4. Employing student community initiatives for improving understanding of farmer community
5. Experiential Learning

ICT & Multi disciplinary approach in Teaching

1. University official portal www.kvasu.ac.in.
2. www.kvasuleap.in
3. www.startup.in for the Start-up village project.
4. Video conferencing
5. e Vetconnect: 24 × 7
6. Mobile app for promotion of Good agriculture practices,
7. Mobile app for Precision farming
8. Mobile app for Entrepreneurship
9. Mobile app for Animal welfare
10. Mobile app for fodder cultivation

11. Mobile app for precision livestock farming

12. Ksheeraprabha

University is using Social media and National career service portal and agri-marketing portal appropriately.

Inter Disciplinary approach in Teaching

1. Established Technology business incubation centre at Mannuthy
2. Research guidance for students (MSc and PhD students) from other universities
3. Coheart initiatives in one health approach
4. Awareness campaign by students under the guidance of staff to control outbreaks during flood

Student facilities

1. Scholarships for economically backward students
2. Master's Residency Programme.
3. PSC coaching classes
4. Civil Services Coaching
5. Adoption of tribal colonies
6. Remedial classes for academically weak students

Students of KVASU secured 24Net, 176 JRF and 1SRF and 123 number of Students received job through the University Placement Cell. 56 students have received awards/recognition for Research.

Number of Startups/Enterprises started by the students / Alumni

1. SRS Vet Care Centre, Kattakada by Dr Sreenish Krishna BK, Dr Sabarinadh VR, Dr Reshnu VC
2. Farm care Solutions : Online Consultancy venture by Dr Able Varghese, Dr Rasim VP, Dr Vivek C.P (farmcaresolutionsindia@gmail.com)

3. Animalia Veterinary Clinic at Kodingalloor by Dr Able Varghese, Dr Vivek C.P (animaliavethospital@gmail.com)
4. Hoo's and Paws Veterinary Clinic at Ponnani by Dr Faisal M, Dr Rasim V P, Dr Sahla Shaheena (hoosnpaws@gmail.com)
5. "VetHands" - Emergency Veterinary Care. Dr Anees R (vethandzz@gmail.com)
6. technology incubation center and pet grooming center (to be included)

Other achievements

Total 327 Number of outreach programmes conducted by the University. 12 National/ Inter National Seminars & Conferences were conducted by the University and the number of consultancy assignments is 85

MOUs

International Institutes

1. University of Edinburgh
2. University of Western Australia (UWA)- teaching, research, staff exchange etc
3. University of Illinois, USA, IVRI & College of Veterinary and Animal Sciences Shimoga-
4. University of Calgary : Collaborative research on Kysanur Forest Disease
5. Oklahoma State University, USA- research collaboration, faculty & Student exchange
6. KVASU is an active partner in the World Wide Universities Network on "Global Food Security". Livestock Farm, Thiruvazhamkunnu farm of KVASU has been identified as one among three farms selected for the study, the others being the Rothamstead

farm in UK and the Pingelly farm in Western Australia.

7. KVASU becomes a partner in the Global Innovation Initiative from 2014 to 2016 and gets fund for faculty exchange to University of Bristol, University of Wisconsin USA in addition to organizing workshops in India.
8. Regents of the University of Minnesota, UMN, USA: faculty exchange – research collaborations
9. University of Connecticut- Mobility of students, research personnel and exchange of ideas, experiential learning

National Institutes

1. National Meat and Poultry Processing Board- Man Power Development and Training
2. Department of Biotechnology, Government of India
3. Bhabha Atomic Research Centre-Preservation of Meat and Meat Products by Irradiation
4. Kerala Livestock Development Board (KLDB) on conduct of courses at Kulathupuzha farm.
5. Indian Council of Agricultural Research- research projects, ICAR funded schemes, AICRPs, ICAR– Central Institute of Fisheries– Student training/ post graduate research
6. Lala Lajpat Rai University of Veterinary and Animal Sciences (LUVAS), Hisar, Haryana- MVSs/ PhD research

State Level Institutions

1. Animal Husbandry Department
2. Dairy Development Department
3. NABARD
4. State Planning Board
5. Kerala State Council for Science Technology and Environment.

6. Kerala State Council for Science Technology and Environment- in the areas of Biomedical Research, biotechnology, bioinformatics and Climatology
 7. Kerala Forest Research Institute- Wildlife Studies and Conservation Medicine (October 2017, term 5 years)
 8. Kerala Forest Department- academic interactions, veterinary care of wildlife of Kerala
 9. Kottackal Aryavaidyasala- Medicinal Plant Research - Ethno Veterinary Medicine (July 2013; term 5 years)
 10. Agreement between Dept of LPT & MTU, KVASU and ATMA project Director on behalf of Director of Agricultural Development and Farmers Welfare- Dr Vasudevan V N, "Development of Biomass briquettes using straighter home waste"- (March 2018, project on researchable issues, term 2 years)
 11. Pullazhi kole Co-operative society, Thrissur- Start up project (July 2017)
 12. Nirmithi Kendra, Thrissur- construction works (September, 2018; termination on completion of works)
- Community Agro biodiversity Center, MSSRF, Wayanad : research project, Dept. of Pharmacology (June 2017, termination on project completion)
- Through FDP-FIP, Administrative Staff College etc. a total number of 343 numbers of faculty were given orientation/refresher trainings.
- The Kerala Veterinary and Animal Sciences University Library and Information System (KVASULIS) has a wide range of traditional and contemporary Reference Materials. The following are the category wise list:
1. Reference and Text books - 44902
 2. Academic Reference monographs and multi-volume sets
 3. Leading International and Academic Journals (Print) like Nature and Science
 4. CAB Abstracts on CD-ROM from 1974 onwards
 5. More than 3000 consortium based e-journal Access
 6. WILEY Library – e-journals & e-books
 7. 220 Elsevier e-books
 8. 24 Taylor and Francis e-books on Veterinary and allied Sciences
 9. Elsevier on line databases and Science Direct
 10. INDIASTAT online access
 11. MoU with KAU Library & Information System and KUFOS for Reference Resource Sharing and Information exchange
 12. Membership in leading Library Links for Reference information exchange and sharing. (DELNET)
 13. AgriCAT-e Granth member ; the Union Catalogue of the ICAR Institutes and SAUs combined together.
 14. Member of "Krishikosh" the digital repository of accumulated knowledge in agriculture and allied sciences spread all over the country in different ICAR Research Institutions and State Agricultural Universities (SAUs).

Number of high impact factor journals more than 2.0

1. Print- 2
2. Online- Around 3000 (Consortium journals excluded)
3. RFID based Circulation Control and security surveillance System
4. 24 x7 Dedicated Web-portal for

KVASILIS (<http://covas-opac.l2c2.co.in>)

5. WEBOPAC and Information sharing among libraries of KVASU
6. Computerized Current Awareness Service (CAS)
7. Computerized SDI (Selective Dissemination of Information)
8. Digital Library and Institutional repository reference
9. Wi-Fi enabled information retrieval support
10. Database/Internet Browsing
11. Online document reservation service
12. E-mail alert on check in, check out, overdue, etc.

Laboratory

University has two Central Instruments Laboratories which were established in the year 1999, as per directions of ICAR, by pooling sophisticated equipment from different departments of CoVAS Mannuthy and Pookode. The facilities are extensively used by post graduate students, doctoral research scholars and sponsored projects for advanced research. This facility is also extended to external organizations, mainly academic institutions of the region at nominal rates. Trained staff and Instrumentation Engineer extend their service for smooth functioning of CIL.

The National Accreditation Board for testing and calibration of Laboratories (NABL) has granted accreditation in accordance with ISO/IEC 17025:2005 for three Kerala Veterinary and Animal Sciences University laboratories of College of Veterinary and Animal Sciences, Mannuthy, Trichur: Central Instruments Laboratory, Feed Analysis Laboratory of Department of Animal Nutrition and Quality Control Laboratory of Department of Veterinary Public Health and to two laboratories at CVAS, Pookode. Utilising the facilities and proficiency, the three laboratories

are bound to bestow precise, reliable and un-biased results to the public customers at reasonable cost in the years to come.

Following are the five NABL accredited laboratories of KVASU:

1. Central Instruments Laboratory, CoVAS, Mannuthy For determination of T3 and T4 by Radio immune assay.
2. Feed Analysis Laboratory, Dept. of Animal Nutrition, CoVAS, Mannuthy for Determination of moisture and total ash in feeds and fodder.
3. Quality Control Laboratory, Dept. of Veterinary Public Health, CoVAS, Mannuthy for Determination of coliforms in drinking water /ground water.
4. Food Quality Assurance Laboratory, Dept. of Veterinary Public Health, CoVAS, Pookode for Determination of coliforms in drinking water /ground water.
5. Feed and Fodder Analysis Laboratory, Dept. of Animal Nutrition, CoVAS, Pookode for determination of proximate principles in animal feeds.

The laboratories attached to School of Applied Animal Production and Biotechnology, CoVAS, Mannuthy and Molecular Biology Laboratories attached to Departments of Veterinary Microbiology and Veterinary Biochemistry also possess many sophisticated equipments. Major equipments available in various laboratories across campuses are 267.

The academic campuses of the University, namely Mannuthy, Pookode, Kolahamedu, Thumburmuzhy and Thiruvizhamkunnu have sprawling green belts which are maintained carefully. The Campus development committees of the respective campuses along with NSS volunteers and Nature clubs-the Ratufa and Loris Nature Clubs- have

strived to make all stakeholders environmentally responsible, with the regular conduct of awareness classes.

The colleges joined hands with the state government's initiative- Haritha Keralam and has taken steps to do avoid piling up of electronic waste in the campus. A committee was constituted for maintenance of green protocol. All programmes in the campus are conducted as per the directives issued. "Aaranyakam"- the initiative launched to make the campus carbon neutral is operational in full swing.

World environment day was commemorated in Mannuthy campus by planting tree saplings. Similar other mass cleaning activities were also undertaken in the campus on several occasions. Segregating waste bins has been installed at different locations by the School of Bioenergy and Farm Waste Management.

Guidelines have been issued as per accepted protocols regarding the disposal of waste from laboratories. Incinerators have been installed and specific directions have been given regarding its use. Effective management of food waste from hostel is ensured by processing it and feeding to pigs in University farms.

A model rendering plant is functioning in the Meat Plant for effective utilization of abattoir waste. Several technologies have been developed for the effective utilization of slaughter byproducts and is being practiced in the Meat Technology Unit of KVASU

The rain water harvesting has been reinforced by renovating existing ponds and constructing new ones. Solar paneling has been done in one block of Teaching Veterinary Clinical Complex and proposal has already been submitted for replacing the existing street lights with solar powered lamps. Biogas plants have been installed in the farms. Model eco farms have been established in various campuses.

Farm waste management by TMAC-

Thumburmuzhy Model Aerobic Composting is being implemented in farms. Hostels and their premises have been declared plastic free zones. A butterfly garden has been established at Mannuthy campus which has varieties of plants that attract a variety of butterflies.

The University has a research policy aimed at strengthening the livestock and allied sectors of the state, thus supporting the farming community and providing food security and safety. The University operates projects meant to supply of quality germplasm to farmers, provide feed and fodder at reasonable cost and undertake diagnosis and treatment at affordable cost.

1. Activities related to rebuilding of flood hit livestock sector of Kerala undertaken through Unarvu 2018 and 2019
2. Complete feed blocks have been developed using locally available unconventional/ ayurvedic byproducts for dairy cattle. The feed blocks when given at recommended levels along with drinking water will satisfy all nutrient requirements of an average dairy cattle
3. The Centre for Animal Adaptation to Environment and Climate Change Studies have taken up projects to develop strategies to alleviate livestock problems associated with climate change
4. Several value added meat products and dairy products with longer shelf life have been developed
5. A variety of functional foods have been developed. Mapping, standardization and quality evaluation of the traditional value added products of Kerala from meat, poultry and egg has been done
6. Research on antimicrobial resistance and identifying biomolecules to overcome AMR.
7. Anesthetic and treatment protocols that can be adopted at field levels have been developed.

8. Characterization of indigenous breeds of livestock and poultry
9. Strategies for augmenting reproductive efficiency of crossbred
10. IPR cell has moved forth in its effort to obtain GI tag to 'Attapady Black' goats as part of its effort sustainably develop indigenous genetic resources
11. Several medicinal plants have been validated for their medicinal properties
12. To improve the nutritional base and fodder cultivation, Fodder banks have been established in Mannuthy, Thiruvazhamkuunu and Thumburmuzhi stations and different varieties evaluated.
13. The AICRP, Mannuthy successfully popularized the commercial layer Athulya with average yield of 303 eggs with 55 g weight.
14. Various softwares for easy formulation of livestock ration have been developed
15. Superior strain of pigs with high growth rate and feed efficiency suitable to the state's agro climatological conditions was developed. More than 500 fattening piglets are being sold to farmers per annum
16. Thermal stress alleviation measures established at university livestock farm. A THI based stress alleviation system has been installed at the University livestock farm, Mannuthy
17. Intensive studies on biogas and biodiesel production from farm and livestock waste and its evaluation as manure being carried out
18. Research on emerging and re-emerging diseases and zoonotic diseases are undertaken
19. Use of natural colouring agents in dairy products have been validated.
20. Several novel dairy products have been evaluated and was found to have good consumer acceptance.
21. Corneal grafting with amniotic membrane derived extracellular matrix scaffold in dogs was developed
22. Several rapid and sensitive molecular diagnostic tools have been standardized for diseases like bacterial and viral diseases and haemoparasites.
23. Operates a technology incubation centre in the area of Animal Husbandry and provides support to young entrepreneurs
24. Specialized feeds for livestock and poultry have been developed

Unique Kerala Specific factor of the University

Kerala Veterinary and Animal Sciences University is the only University of the state with the mandate to cater the education, research and developmental needs of Animal Husbandry, Veterinary, Dairy and Avian sciences sectors of the state. The university is unique with the direct linkages with small holder, marginal and commercial farmers engaged in the above activities. The services offered to the farmers and animal keepers include the facilities through veterinary hospitals at Vythiri, Mannuthy and Kokkalai, insemination facilities for cattle through ten different centers of ICAR projects, facilities for laboratory examination of samples of animals, animal products, hospital samples, drinking water samples, antibiotic and insecticidal residues, minerals and a battery of other materials. The inputs provided to the public include eggs, pullets, kids, Vechur cows, laboratory animals including rat, mice, rabbit, hamster and guinea pig, ducks, piglets, processed milk and meat, products from meat and milk, specific compounded feeds for livestock, goats, poultry, laboratory animals, mineral mixtures for different species and fodder grass slips.

The resources of the University include the unique collection of germ plasm of world renowned Vechur breed of cattle,

Kasargode cattle, Malabari goats, Attappady goats, Ankamaly pigs, Tellichery fowl and Kuttanad ducks. Livestock breed characterization, germ plasm conservation and breed improvement programmes and research in genetic analysis of animals at molecular level is conducted in the University. The veterinary hospitals attached to the University are multispecialty centers with the facilities for haemodialysis, ultrasound scanning of large and small animals, surgical specialties like ophthalmology, orthopedics and *in vitro* fertilization and assisted reproduction.

The notable contributions of the University include the aerobic composting model (Thumburmuzhi model), released varieties of crossbred pigs (Mannuthy White), poultry (Athulya, Gramalakshmi and Gramasree), vaccines for different diseases, and basic research results published in international journals.

The newly established central laboratory facilities at Mannuthy and Pookode

are with equipments worth more than 20 crores and are extensively used by the research scholars and postgraduate students of KVASU and other institutions also. Novel programmes to empower the students of the University through Earn While you learn, Entrepreneurship programmes for students and experiential learning module of dairy science students make the students exposed to the industry, farmers, farming and market apart from ensuring a source of income during student days.

Continuous hands-on training programmes are being conducted for professionals within and outside the University on basic molecular biological techniques, bioinformatics tools, handling sophisticated equipments, skill development training in Animal Birth Control, new laboratory procedures and analytical techniques and the concept of One Health.

ACADEMIC PROGRAMMES IN VARIOUS COLLEGES

a. College of Veterinary and Animal Sciences, Mannuthy, Thrissur

1. B. V. Sc.& AH Programme
2. M.V.Sc Programme
3. Ph.D. Programme
4. M.Sc. in Biostatistics
5. M.Sc. in Quality Control in Dairy Industry
6. M.Sc. in Bio-Chemistry and Molecular Biology
7. M.Sc. in Applied Microbiology
8. M.Sc. in Animal Biotechnology
9. M.Sc. in Animal Science
10. Post Graduate Diploma Climate Services in Animal Agriculture
11. Post Graduate Diploma in Climate services
12. Diploma in Laboratory Techniques
13. Diploma in Poultry Production
14. Diploma in Dairy Sciences
15. Diploma in Feed Technology

b. College of Veterinary and Animal Sciences, Pookode, Wayanad

1. B. V. Sc.& AH Programme
2. M.V.Sc Programme
3. Ph.D Programme
4. BSc. Poultry Production and Business Management
5. MS Wildlife Studies
6. P.G Diploma in Veterinary Cardiology
7. P.G Diploma in Veterinary Anaesthesiology
8. Diploma in Dairy Sciences

c. College of Dairy Science and Technology, Mannuthy, Thrissur

1. PhD (Dairy Technology)
2. M.Tech (Dairy Technology)
3. PhD (Dairy Chemistry)
4. M.Tech (Dairy Chemistry)
5. PhD (Dairy Microbiology)
6. M.Tech (Dairy Microbiology)
7. B.Tech (Dairy Technology)

d. College of Dairy Science and Technology, Pookode, Wayanad

B.Tech (Dairy Technology)

e. College of Dairy Science and Technology, Chettachal, Thiruvananthapuram

B.Tech (Dairy Technology)

f. College of Dairy Science Technology, Kolahalamedu, Idukki

B.Tech (Dairy Technology)

g. College of Avian Sciences and Management, Thiruvazhamkunnu, Palakkad

BSc. Poultry Production and Business Management

h. College of Food Technology, Thumburmuzhi, Chalakudy, Thrissur

B.Tech (Food Technology)

i. Sarathi Institute of Veterinary and Animal Sciences, Thaliparamba, Kannur (Affiliated College)

Diploma in Dairy Science

TECHNOLOGY ENABLED DISTANT LEARNING PROGRAMMES (Offered by the University Faculties)

a. P.G. Diploma Programmes

1. Livestock -Agri Entrepreneurship and Food Safety and Security Management
2. Informatics and Management
3. Ethnopharmacology
4. One Health
5. Toxicologic Pathology
6. Food Safety and Quality Assurance
7. Therapeutic Management of Infectious Diseases of Pet Animals and Pet Birds
8. Dairy Entrepreneurship
9. Poultry Entrepreneurship

b. Diploma Programmes

1. Integrated Farming Systems (DIFS)
2. Poultry Entrepreneurship
3. Dairy Entrepreneurship

c. P.G. Certificate Programmes

1. Farm Journalism
2. One Health Surveillance
3. Toxicologic Pathology
4. Veterinary Homoeopathy
5. Community based Disaster Management

CERTIFICATE COURSES

1. Animal Handling
2. Livestock Production
3. Histological and Museum Techniques
4. Dairy Cattle Production and Management
5. Multi skill development programme in Integrated Resources Management Centered on Livestock and Poultry

GOVERNMENT OF KERALA, GOVERNOR AND COUNCIL OF MINISTERS

NAME	ADDRESS	CONTACT
Shri. Arif Mohammed Khan Hon'ble Governor of Kerala & Chancellor of University	Kerala Raj Bhavan, Kerala Governor's Camp. PO, Thiruvananthapuram-695099, Website: www.rajbhavan.kerala.gov.in	0471- 2721100, 0471-, 2720266 (F), keralagovernor@gmail.com keralarajbhavan@gmail.com
