## About the Programme

Step into the future of veterinary practice!

Kerala Veterinary and Animal Sciences University, in collaboration with C-DIT, invites veterinarians to a one-day free training on "Artificial Intelligence in Veterinary Medicine: From Diagnostics to Decision Support and Outreach." Discover how AI can enhance clinical diagnostics, support smarter decision-making and expand veterinary outreach through real-world applications and practical insights.

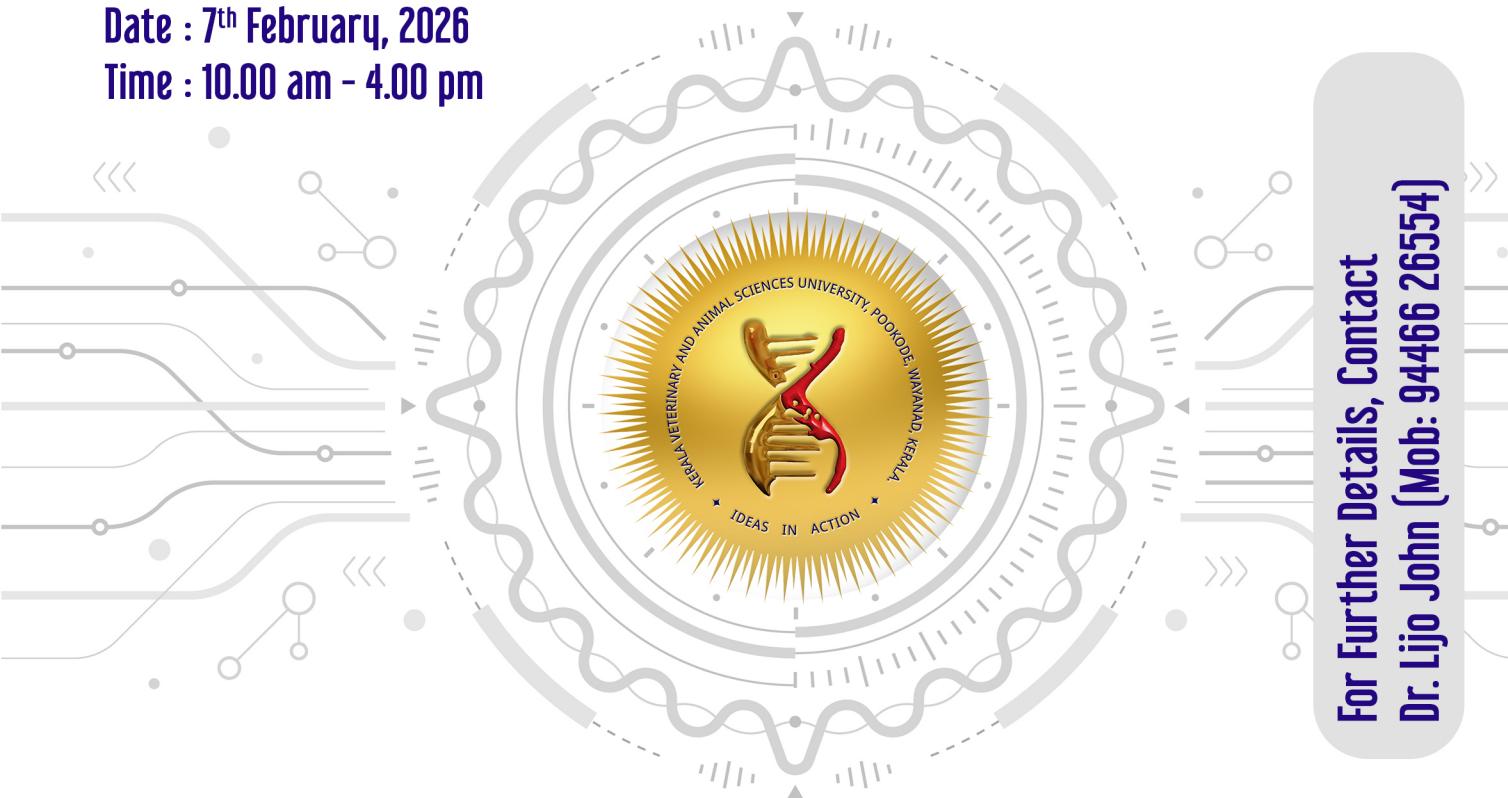

Join us to explore cutting-edge tools that are shaping the next generation of veterinary care.

**Date : 7<sup>th</sup> February, 2026**

**Time : 10.00 am - 4.00 pm**

**For Further Details, Contact  
Dr. Lijo John (Mob: 94466 26554)**

## About the AI Impact Summit 2026

The India - AI Impact Summit 2026, to be held in New Delhi on 19-20 February 2026, is a global platform focused on shaping inclusive, responsible and impactful AI cooperation. The Summit brings together governments, academia, industry and civil society to address AI's role in sustainable development, governance and innovation.

This event is officially affiliated as a Pre-Summit Event, contributing to the broader deliberations of the Summit.
