The bidder shall ensure that the net is securely fixed and properly stretched so as to prevent the entry of birds through the specified openings. The installation shall be carried out neatly without causing damage to the existing building structure.

➢ Terms and Conditions.

1. Interested individuals, firms and reputed service providers may submit their quotations in sealed covers, duly superscribed **"Quotation for Supply and Installation of Anti-Bird Nylon Net at VKIDFT, Mannuthy"**, addressed to the undersigned.

2. The quotation shall clearly indicate the rate for the supply and installation of the anti-bird net, including the cost of all materials, accessories, transportation, labour charges and other incidental expenses. The total amount quoted shall be inclusive of all applicable taxes.

3. The bidders shall clearly specify the material quality, thread thickness, mesh size, colour and other relevant technical specifications of the nylon net offered. The net supplied shall be new, unused and of good quality, suitable for outdoor use.

4. The bidder shall quote the rates after assessing the actual site conditions and dimensions. Any additional materials, labour or equipment required for the completion of the work shall be arranged by the successful bidder at the quoted rates.

5. The quotations should reach the office of the undersigned on or before **17/11/2026, at 3.00 P.M.** The quotations received shall be opened on the same day at **3.30 P.M.** in the chamber of the undersigned, in the presence of the bidders or their authorised representatives who may be present at the time of opening. Quotations received after the prescribed date and time shall not be considered.

6. The quotation shall remain valid for a period of **30 days from the date of opening**. The rates quoted shall remain firm during the validity period, and no additional charges shall be entertained thereafter.

7. The successful bidder shall complete the supply and installation of anti-bird net within **5 days** from the date of receipt of the work order. The work shall be carried out without causing undue inconvenience to the normal functioning of the institution.

8. The successful bidder shall provide a minimum warranty of **one year** for the materials supplied and the installation work carried out. Any defects arising during the warranty period, including loosening or detachment of the net due to improper installation, shall be rectified by the bidder at no additional cost to the institution.

9. The work shall be completed without causing any damage to the existing structures/cables etc. In case any damage is caused, the same has to be rectified at bidders' risk and cost.

10. The selected bidder shall be solely responsible for the safety and welfare of all workers engaged in the work. The bidder shall make necessary arrangements for their safety, medical assistance and compensation arising during the execution of the work. The institution shall not be responsible for any injury, accident, medical expenses or compensation during the execution of the work.

11. The work shall be subject to inspection and verification by the competent authority or an officer authorised by the institution. Payment will be made after completion of the work to the entire satisfaction of the undersigned and after deduction of applicable taxes prevailing at the time of payment of the bill. No advance payment shall be made.

12. The lowest evaluated quotation conforming to the prescribed specifications and other terms and conditions will normally be considered for acceptance, subject to the satisfaction and approval of the competent authority. The institution reserves the right to accept or reject any or all quotations, either wholly or partly, without assigning any reason, in accordance with the applicable rules and procedures.
